PathPoint Consulting to Develop 2nd Generation 360 Degree Feedback Survey for The Camden Group

NORFOLK, Massachusetts – (February 25, 2006) – PathPoint Consulting, an organizational development and human resources consulting firm, announced that The Camden Group has selected PathPoint to revise and update its 360 feedback survey for consultants and administrative personnel.

In this assignment, PathPoint will revise the company’s survey, based on best practice 360 design principles as well as feedback from internal employees. PathPoint will work with the company’s outsourced survey processing vendor STAR (www.rapidsurvey.com) to deploy the new survey content in an on-line survey solution.

“We are excited to launch this redesign initiative with The Camden Group,” says Van Latham, Ph.D., Practice Leader at PathPoint. “We look forward to bringing our leading-edge 360 design expertise to build a high-quality product that will help The Camden Group’s capability to grow, develop, and retain its critical human capital.”

About The Camden Group

The Camden Group has been providing consulting and management services exclusively to the health care field since 1070. With more than 1,000 clients located in 41 states, The Camden Group serves health care systems, individual hospitals, community non-profit organizations, university medical centers, government-controlled organizations, IPAs, medical groups, health plans and individual physicians. The Camden Group provides services in strategic and business planning, financial and operations improvements, business valuations and fairness opinions, facility planning, community health needs assessments, and health care organization mergers and network development.
